IMECE INDIA 2025

ENGINEERING EDUCATION SYMPOSIUM

TRANSFORMING THE FUTURE OF ENGINEERING IN INDIA

11 – 12 September 2025 | HICC, Hyderabad

The Engineering Education Symposium is a premier collaborative platform organized by ASME Foundation India. It brings together thought leaders from academia, industry, and government to transform mechanical engineering education for Industry 4.0.s

OUR FOCUS

1. Explore, Develop and Implement innovative engineering education frameworks
2. Advance industry-academia collaboration
3. Connect educators, students, and industry leaders at one networking hub
4. Empower the next generation of engineers

At IMECE India 2025, we have **6 dynamic Panel Discussions** and 4 thought-provoking Invited Talks from experts:

WHAT WE HAVE SO FAR

Engineering Education Symposium is built on insights from ASME Foundation India's five regional Mechanical Engineering Education (MEEd) Summits and delivers actionable solutions on what has been experimented and proven.

MEEd Chennai
Anna University
January 2024

MEEd Lucknow
Dr APJ Abdul Kalam Technical University
April 2024

MEEd Jaipur
The LNM Institute of Information Technology
August 2024

MEEd Ahmedabad

Gujarat Technological University
September 2024

MEEd Chandigarh

CSIR-Central Scientific Instruments Organisation (CSIO)
April 2025

ENGINEERING EDUCATION SYMPOSIUM, HYDERABAD
IMECE India 2025 | September 2025
